Subterranea Britannica

Report of the Trustees
for the Year Ended 31 December 2024

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 December 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

Subterranea Britannica Trustees' Report 2024

Subterranea Britannica is a charitable organisation committed to the study, recording and preservation of our underground heritage. Although of great historical importance, this often has little statutory or other protection, and remains at risk from neglect and commercial development.

We ran a full programme of activities in 2024, including a range of UK site visits and a Spring Conference with a programme of invited speakers. We also arranged a European Study Visit to Germany.

We have continued to add to our public database of subterranean sites and to our public archive of the charity's publications.

1) Background

Subterranea Britannica was formed in 1974. It was incorporated as a company limited by guarantee in 2007 and became a registered charity in 2011. Our mission remains to ensure that our underground heritage is more widely understood, appreciated, recorded and, where practical, protected.

2) Reference and Administrative Details

The full name of Subterranea Britannica is often abbreviated to 'Sub Brit' in day-to-day activity. Subterranea Britannica is a registered charity (number 1141524), and a not-for-profit company limited by guarantee (number 06447148). The charity's registered office is at Heathend Cottage, Windsor Road, Ascot SL5 7LQ.

As of 31 December 2024, the trustees of Subterranea Britannica were as follows:
(company status indicated in brackets)

Linda Dixon (Director)
Martin Dixon (Director)
Neil Iosson (Director)
Tony Radstone (Director)
Tim Wellburn (Director)
Richard West (Director)

Banking services are provided by:
Unity Trust Bank PLC
Nine Brindley Place
Birmingham B1 2JB

3) Structure, Governance and Management

Subterranea Britannica's activities are organised and governed according to a Memorandum and Articles of Association. Management of the charity is vested in a committee that is elected at each annual general meeting (AGM). Any adult member of Subterranea Britannica may stand for election. We held our 2023 AGM on 13 April 2024, at Canada Water Theatre, London, with a good attendance of 87 members.

The trustees of the charity (and directors of the company) are drawn from the officers and established members of the committee. Many other members who are not on the committee play major roles in helping the charity to achieve its goals, under the guidance of the elected committee.

The committee met online twice in 2024. We maintain an active online dialogue, in which discussions are held and issues resolved outside the formal meetings. Significant online decisions are ratified and minuted at the following committee meeting. Summaries of committee meetings are published for the information of members.

The committee is also responsible for managing risk. Three major areas are routinely monitored:

Subterranea Britannica

Report of the Trustees for the Year Ended 31 December 2024

- o Health and safety, especially with regard to potential hazards attaching to our visits to underground spaces;
- o Security of data held to ensure it is protected from unauthorised access and securely backed-up;
- o Financial reserves of the charity.

Subterranea Britannica has no paid staff and relies on the generous donation of time and energy from many of its committed members. The committee always strives to ensure that Subterranea Britannica operates as cost-effectively as possible to maximise the benefit of subscriptions and donations.

4) Financial Review

The trustees reviewed Subterranea Britannica's year-end reserves at their meeting on 1 February 2025. Our target is to have financial reserves equivalent to 6-18 months of annual incoming resources to cover any short-term reduction in membership income, to cope with unexpected costs (such as outsourcing activities currently done by volunteers), and to ensure that we have ready funds available for worthy projects. The 2024 year-end reserves are at the upper quartile of this target range.

We gained 122 new members during the year but lost 161, resulting in a total paid-up membership at the close of 2024 of 866 compared with 924 at the close of 2023.

We continue to benefit from the UK Government's Gift Aid scheme.

None of the society's funds is restricted in their application across our charitable aims. A donation of £5,000 was authorised during the year.

5) Objectives and Activities

The charity's objectives are to advance education and science for the public benefit by the study, understanding, recording and (where practical) the preservation and protection of man-made and man-used underground structures, objects and spaces.

The trustees of Subterranea Britannica have complied with their duty under section 4 of the Charities Act 2006 in having due regard to the public benefit guidance published by the Charity Commission.

Key activities undertaken through the year include:

- o Publishing three editions of our magazine Subterranea.
- o Providing the website www.subbrit.org.uk.
- o Using social networking channels to reach over 15,000 subscribers.
- o Maintaining a publicly accessible archive which includes prior copies of our journal Subterranea, as well as all of our other publications, going back to our inception in 1974.
- o Donating to the Historic England Archive and Library and to the Northern Mining Institute, substantial requested selections from the extensive library of the late Paul Sowan, a former Chairman of Subterranea Britannica. These books, including some rare volumes, will therefore become accessible to the public.
- o Maintaining links with other groups who share our interests and objectives.
- o Responding to enquiries received from the public, researchers and professionals.
- o Arranging a programme of underground or underground-related site visits, which are then written up and published in Subterranea, for future reference.
- o Monitoring planning applications and making the heritage conservation/preservation case for those which imperil important underground structures.
- o Holding a Spring Conference, with an associated day visit.
- o Arranging a European Study Visit to Germany, visiting a wide range of sites.

Subterranea Britannica invites applications for grant support, the committee focusing on projects that provide public benefit. In 2024 we approved a new grant to Nenthead Mines Conservation Society towards the cost of the acquisition of an adapted container to serve as high quality long-term storage space for the Society's mining-related archives, artefacts and mineral collection, in turn freeing space for their public-facing activities, in line with their own charitable objectives. The trustees see this type of funding as a vital part of our activity.

Subterranea Britannica

Report of the Trustees for the Year Ended 31 December 2024

The charity's website, past publications and webinars are all open to the public and we have striven to publicise these to a wide audience. For reasons of insurance, participation in Subterranea Britannica's underground site visits will continue to remain restricted to our members.

We increased membership fees by £2 (7%) in 2024. The committee believes that these remain at a level that is both affordable and continue to compare favourably with those of many similar charities.

6) Future Plans

We will continue to seek to engage members in volunteering to help contribute to the activities of the charity.

We are planning a broad range of activities in 2025 including UK site visits, a Spring Conference in London, and a European Study Tour to the Czech Republic.

Our public website (www.subbrit.org.uk) is our main 'shop window' and we will continue to extend and develop our coverage of underground locations as a valuable resource to the general public and researchers.

Subterranea Britannica remains keen to increase public awareness and appreciation of underground sites, and we will continue to work in partnership with site owners, other charities and statutory authorities to record and interpret such locations. Our relationship with continental European groups is also important and we are represented on the International Union of Speleology 'Artificial Cavities' Commission.

Independent Examiner's Report to the Trustees of
Subterranea Britannica

Independent examiner's report to the trustees of Subterranea Britannica ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 December 2024.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
